KYRGYZSTAN

94% MOUNTAINS - 100% ADVENTURE

WHERE THE HELL IS KYRGYZSTAN...

Going Heli-Ski/Heli-Board in Kyrgyzstan? Don't be surprised if you get blank stares from your friends who have never even heard of Kyrgyzstan or Tien Shan Mountains. This 94% mountainous Central Asian republic squeezed between China, Kazakhstan, Uzbekistan and Tajikistan offers up incredible natural beauty and proud nomadic traditions that date back to many thousand years of history and antiquity.

With 34% of its land mass buried under permanent ice and snow

and 94% of total surface 1500 meters above sea level Kyrgyzstan offers epic snow conditions for heli ski/board, cat skiing, backcountry touring and snowshoeing during winter months.

Another upside to heli-ski/board in Kyrgyzstan is that unlike other heli-ski operations, we give you a good shoot at getting a majority of fly days with an average of 247 sunny days a year. Welcome to Kyrgyzstan: 94% mountains and 100% adventure!

Ala Archa National Park is a well know weekend destination for local folks. Located just outside of Bishkek - Kyrgyzstan's capital and biggest town, it offers the shortest approach time among all the other sessions on the list which means we concentrate on skiing and gaining more vertical while paying less. Ala Archa and West Karakol playgrounds are known for its epic glacier skiing and powder snow created under really low temperatures that can drop down as low as -35 Centigrade in the night to make snow as light as dust.

WHAT ELSE...

Requirements

We require all participants to carry adequate heli ski/board and off piste insurance in addition to Medical and Accident insurance with minimum coverage of 10,000 USD.

Participants must be reasonably fit and confident skiers or riders to attempt this tour. We do not require to have extensive heli ski/board/off piste experience or any formal avalanche safety certification or previous glacier travel or ski mountaineering experience.

Skiers are recommended to use powder or free ride skis with minimum of 100 mm underfoot. Snowboarders are advised to have snowshoes and foldable trekking poles in addition to powder boards.

Please note you will be required to sign a RELEASE OF LIABILITY, WAIVER OF CLAIMS, ASSUMPTION OF RISKS AND INDEMNITY AGREEMENT prior to Heli-Skiing, Heli-Boarding or any backcountry activities.

Personal Safety Equipment

Skiers and riders are responsible for their personal safety gear:

- Floating bag (advised)
- Beacon (must)
- Avalung (advised)
- Shovel (must)
- Avalanche probe (must)
- Hard shell helmet (must)

Price

Price is based on 12 pax minimum reservation requirement. All rates are quoted on a per person basis, based on double occupancy in ski lodges. Single accommodations available - subject for extra fee.

Price does NOT include

- Excess baggage costs
- Air fare to Kyrgyzstan

- Single accommodations

Accommodation

We pick the best possible accommodation in the area for our heli ski tours. At Suusamyр we stay with Too Ashu ski resort which provides twin rooms in several wooden lodges and dining room. At Karakol we stay with Karakol Ski resort in twin rooms and dining area outside of residential building. All rooms equipped with TV, AirCon and bathroom.

Meals

3 times meals are included into the price. Lunch is served packed on the hill along with hot and cold drinks. Please notify us well in advance if you have any special dietary needs: vegetarian or vegan, salt free, gluten free etc.

Unlimited vertical

In fact there is no restriction on vertical and you can ski as much as you can within the heli time provided. The numbers above indicate minimum/guaranteed meters for the package. We expect about 3000 vertical daily or so.

Solo&Small groups travelers

Solo and small group travellers are welcome to join our guaranteed groups to meet our minimum reservation requirement.

WHO WE ARE

We are Ski Pro Kyrgyzstan - a team of professional mountain and heli ski guides from Kyrgyz Republic united under this trade mark by Fantastic Asia Travel Company Limited - a full service adventure travel company founded by outdoor people for outdoor people. We operate Heli Ski/Board tours, Snow Cat skiing and Snowshoeing. Details of all our winter tours available online at www.heli-ski.kg

Water supply

0,5L water bottles are provided for everybody before we leave heli pad. There is also a water supply of several 5L kegs on board. However if you have a personal water container, we encourage you to bring it with you for your trip. This is how we can protect our environment with getting less plastic bottles with us on the hills.

Down Days

Bad weather and poor flight conditions may cause a delay or bring changes into our usual schedule. In general we do not have many foul weather days but that is one aspect of your holiday we have absolutely no control over. On average we might experience 1 or 2 down day per week. Down day activities include snow cat or resort skiing, snowshoeing or any relaxing activity that works best with you.

Unused hours/Extra hours

In the unlikely event you don't use all the time we refund at 180 USD/hour/person. Extra time is available at 250 USD/person.
